Introduction

MEERAB ENTERPRISES

" Only Solutions, not Problems "

With a legacy of over a decade characterized by unwavering commitment and uncompromising service quality, we have established a nationwide presence. Catering to diverse sectors including pharmaceuticals, nutraceuticals, homeopathy, veterinary, cosmetics, food, agriculture, and textiles, we take pride in sourcing the finest raw materials from across the globe.

Centered on the principle of putting our customers first, we forge enduring and responsive relationships. Our paramount goal is to consistently surpass expectations by delivering materials and services that not only meet but consistently uphold stringent standards.

Meerab Enterprises identified a niche within the independent chemical supplier landscape and subsequently emerged to address it. Since our inception, our trajectory of growth and advancement has been fueled by an unwavering aspiration to lead in our chosen domain. Our pledge to prioritize our customers' needs remains as resolute today as it was during our inception.

Our achievements on the commercial front rest on our adeptness in procurement and distribution. Operationally, our triumphs hinge on our capability to seamlessly provide you with the materials you require, precisely when you need them. Across Pakistan, we offer a dependable and professional supply service, encompassing a comprehensive spectrum that spans from elemental commodity chemicals to intricate blends.

If your quest involves sourcing Excipients, Extracts, or Other Raw Materials for industries such as Pharma, Nutra, Homeo, Veterinary, Cosmetic, Food, Agriculture, or Textiles, we encourage you to connect with us. Allow us to seamlessly meet your requirements and propel your enterprise towards success.

Our Mission

Our mission is to become the top supplier in Pakistan by prioritizing quality. We are dedicated to continuous improvement and fostering an environment of constant enhancement, all to better serve our customers.

Our Vision

Our vision is to forge the most refined resources and solutions, imbued with a progressive approach, in order to enhance business value with utmost efficacy.

Brief Intro to Group of Companies

Genesis Pharma - Medicines | Cosmetics | Consumer Products

Get in touch:
genesis@meerabgroup.com
www.genesis.meerabgroup.com

Committed to Enhancing Lives through Quality Products. We specialize in the development, outsourced manufacturing, and promotion of pharmaceuticals, nutraceuticals, and cosmetics that have earned the trust of both patients and the global medical community. This trust has fueled a rising demand for our products in Pakistan and established a strong reputation within the industry. Our ongoing efforts are dedicated to refining our products with a keen focus on safety, efficacy, and ethical standards. The cornerstone of our success lies in the confidence bestowed upon us by our valued customers and healthcare professionals, motivating us to continue delivering products that contribute to a healthier world.

Packman - Printing Solutions | Custom Adhesive Labels | Printers

Get in touch:
inquiry@packman.com
www.packman.com

Headquartered in Lahore, Pakistan, Packman stands as a vertically integrated industry leader. Our primary focus encompasses an array of services, notably the production of labels, barcode thermal printers, Auto ID solutions, data capture devices, and cutting-edge mobile technology. A distinctive facet of our expertise lies in the creation of specialized self-adhesive labels tailored for diverse needs, spanning from shelf products to bottles. These labels are thoughtfully presented in row formats, offering the freedom to select from an assortment of waterproof materials, versatile shapes, and sizes that can be tailored to specific requirements. Our unwavering commitment to innovation and excellence propels us forward in consistently meeting the dynamic demands of our clients and contributing to their success.

Perfect Solutions - Import | Export | Indenting | Sourcing

Get in touch:
perfect@meerabgroup.com
www.perfect.meerabgroup.com

Renowned in Lahore, Pakistan, our company holds a distinguished reputation for providing streamlined services dedicated to the acquisition of products from globally recognized manufacturers. Our role extends beyond enabling seamless access for our international associates to introduce and market their offerings within Pakistan, paralleling their strategies in native regions. Concurrently, we are resolute in our commitment to extending top-tier services to our local patrons. With an unwavering focus on excellence, we act as a bridge between international and local markets, cultivating mutually beneficial relationships that foster growth and success. Our expertise lies in harmonizing the aspirations of both overseas principals and local clients, exemplifying our dedication to fostering business expansion on a global scale while catering to the unique needs of the Pakistani market.

Meet Our TEAM

FAHAD MEHMOOD

Chief Executive

ceo@meerabgroup.com

"I firmly believe that honesty and integrity are the guiding principles to attain success. Deceptive tactics may offer fleeting gains, but it's the path of transparency and sincerity that leads to lasting accomplishments.

Let's start our journey by openly sharing our goals and the efforts we're ready to invest. By being upfront about our ambitions and the sacrifices we're willing to make, we establish a foundation of trust and unity.

With a rich experience of 15 years in the pharmaceutical and nutraceutical field, I'm thankful for the insights I've gained.

My goal is to achieve a significant position within the business community and the pharmaceutical sector.

Together, let's embrace the values of honesty, integrity, and dedicated pursuit, knowing that these principles will illuminate our path to success"

KASHIF MEHMOOD
